Questions

How did this trip start?

It was created in 2021 for a group who wanted the best of Kakadu without an overnight backpack. Covid put an end to that, but it ran in 2022, worked so well, and became a regular part of the program.

Does it overlap another trip?

Yes, the Kakadu Short Overnight Walks run the same week and both may not go. Whichever gets four bookings first is a definite departure.

How to book

Send a request to book from the Kakadu Day Walks page and Russell will confirm within a few days, longer if we are out of range on a walk. Groups are 4 to 12 walkers. \$2,295 per person.
